Subject:- Opening a Shandy at Navilehal Village, Channagiri Taluk.

I have the honour to state that the people of Navilehal and other surrounding villages of Channagiri Taluk were urging for the opening of a Shandy at Navilehal. The matter was investigated and it was found necessary to open a shandy there as there was no shandy nearby within a radius of 4 to 5 miles. The nearest shandy is Thyavanige which is 4 miles distant. Communication from Thyavanige to Navilehal will be practically cut off for about 4 to 5 months during monsoon as the rivulet which flows between these two villages will be in floods. As there was necessity to open a shandy here, objections were called on 4-2-47 to the proposed opening of the shandy. No objections have been received in this office so far. The subject was placed before the District Board at their meeting held on 16th and 17th May 1947 and they have resolved to establish a shandy at Navilehal from the year 1948-49. I request kind sanction of Government to the resolution of the Board to open a Shandy at this place from 48-49. A copy of the resolution of the Board is herein enclosed for favour of information.

The shandies have been leased out for 1947-48 already. The bidders were not aware that the shandy would be opened here. If shandy is opned during 47-48 the contractors of the shandies
